

Cultural Ambassador, Taste of Calabria

September 18-28, 2019

Natalina welcomes Angelo Tramonti as our Cultural Ambassador for this year's Taste of Calabria Tour! Angelo shares San Giorgio Morgeto (RC), Italy, as his ancestral home... which is also the home of Olearea San Giorgio, an award winning olive oil producer (Angelo's family) and one of the stops on the tour!

Angelo Tramonti, Certified Olive Oil Taster | Founder of Sarafino

Angelo is the founder of Sarafino – a company he began in 2000 from a need to make real food more accessible to consumers. He began by importing his Family's olive oil, from Italy, and the company grew from there. Striving to protect these artisanal practices Angelo believes in educating consumers about the value of traditional farming methods; providing knowledge to the public, allowing them to make powerful decisions about the food they are fueling their body with. Leading a holistic lifestyle Angelo has a passion for health, wellness and sustainability. A daily meditation practice, along with Qi Gong and weekly acupuncture sessions helps him to reach his goal of bringing balance back into his life, and in turn the Earth. He strongly believes that if you do what you love and love what you do, you will never work a day in your life.
